

HAMILTON NAKI CLINICAL SCHOLARSHIP 2010

"Advancing human health through medical research"

The Hamilton Naki Clinical Scholarship Scheme is committed to the development of academic healthcare in South Africa. We are inviting specialists of **high academic calibre** with a proven commitment to **academic medicine** to apply for the Hamilton Naki Clinical Scholarship for 2010.

The Scholarship will be awarded to a clinical specialist for **doctoral or post-doctoral research** to be conducted in South Africa or abroad. The scholarship will be awarded for a three-year period, to citizens of South Africa, as a salary for doctoral or post-doctoral research work in a chosen field.

REQUIREMENTS FOR APPLICATION

- South African citizenship.
- An applicant must be a historically disadvantaged individual who is registered as a specialist or sub-specialist with the Health Professions Council of South Africa.
- An application may be submitted as a nomination by an academic institution or eligible individuals may apply directly to the address given below.

AN APPLICANT MUST SUBMIT THE FOLLOWING DOCUMENTS:

- (1) A 1-page letter of motivation which should include the level of funding of salary that is required;
- (2) A full curriculum vitae containing previous research and a full list of publications;
- (3) A 1-2 page summary of the rationale, design and feasibility of the proposed doctoral or postdoctoral research project (including evidence of project funding, facilities and equipment that will be available outside the Scholarship award), and
- (4) Testimonials from three referees, which should include the supervisor of the doctoral / post-doctoral research project.

Incomplete applications will not be considered.

The value of the award is determined according to the need of the awardee. The award is available from 1 October 2010 or, subject to consultation with the host institution concerned, from such other earlier or later date as may be agreed between the awardee and supervisor.

Please direct enquiries and/or applications to Meshwa Meeta on **011 217 9612** or email **healthpartners@netcare.co.za**. The closing date for applications is 30 June 2010.
