Vacancy: Full-Time Diagnostic Radiologist

Location: Life Midmed Hospital, Middelburg

Drs van Rensburg and Partners SA Inc is one of South Africa's leading private radiology practices, providing comprehensive diagnostic imaging services across Gauteng and Mpumalanga. We are committed to delivering exceptional patient care through clinical excellence, innovation, and state-of-the-art imaging technology.

We are seeking a full-time Diagnostic Radiologist to join our team at Life Midmed Hospital, Middelburg.

Key Responsibilities:

The successful candidate will be responsible for:

- Reporting a broad range of diagnostic imaging studies.
- Interpreting X-ray, Fluoroscopy, CT, MRI, Mammography, and Ultrasound examinations.
- Performing image-guided interventional procedures where appropriate.
- Working closely with referring clinicians to provide timely, accurate, and clinically relevant reports.
- Participating in multidisciplinary discussions and contributing to optimal patient care.
- Collaborating with fellow radiologists and healthcare professionals within a dynamic, patient-focused environment.
- Maintaining high standards of clinical governance, quality assurance, and professional ethics.

Minimum Requirements:

Applicants should possess the following:

- Registration with the **Health Professions Council of South Africa (HPCSA)** as a Diagnostic Radiologist.
- A recognised specialist qualification in Diagnostic Radiology.
