Congress Presidents Welcome Message

Dear Friends, Dear Colleagues,

On behalf of the European Society of Neuroradiology (ESNR), the Asian-Oceanian Society of Neuroradiology and Head and Neck Radiology (AOSNHNR), the and the Turkish Society of Neuroradiology, we are delighted to invite you to the 48th Annual Meeting of the European Society of Neuroradiology, 15th Asian-Oceanian Congress of Neuroradiology and Head and Neck Radiology, and 34th Annual Meeting of the Turkish Society of Neuroradiology. This prestigious event will be held from 17-21 September 2025 at the Istanbul Congress Center, under the motto “Bridging Continents and Joining Cultures”.

Our scientific program has been meticulously designed to cover a wide range of topics in neuroradiology, including the latest advancements in diagnostic and interventional techniques. Esteemed speakers and experts mainly from Asia, Oceania, Europe and also from around the world will share their cutting-edge research and clinical experiences, offering invaluable insights and fostering collaborative discussions to help shape your career vision and the future of the field. You will have the opportunity to participate in interactive workshops, panel discussions, and “How-to” sessions led by distinguished experts, ensuring a comprehensive and enriching learning experience to boost your knowledge and sharpen your skills.

The Technical Exhibits will showcase the latest imaging industry products, innovations, interventional neuroradiology materials, AI advancements, and services through demonstrations, presentations, and workshops for you to discover and learn.

In addition to the academic program, we have planned exclusive social events to help you experience the unique charm of Istanbul, a city where East meets West. These events will provide ample opportunities to reconnect with old friends and colleagues, and to make new connections in a relaxed and friendly atmosphere.

We look forward to hosting you in Istanbul, where you will experience the renowned Turkish hospitality and the culture of this vibrant city.

Join us in September 2025 for an unforgettable event that promises to bridge continents and join cultures through the shared pursuit of knowledge and innovation in neuroradiology.

Come to join the brightest neuroradiologists from around the world, build connections between people and technology, and discover innovations that advance the field of neuroradiology.

Warm regards,

Cem Calli
Congress President,
European Society of Neuroradiology

E. Turgut Tali

Guidelines and Instructions

- **Deadline for Submission of Abstracts: 26.05.2025**

Abstract submission system will close automatically at the end of that day according to Central European Summer Time (CEST).

- Abstracts must be submitted in English.
- When submitting your abstract, please indicate if you wish to have your abstract evaluated for an Oral presentation or as an E-Poster.

- If you submit multiple abstracts, please note that each abstract needs a corresponding registration in order to be published. Therefore, in case of multiple abstracts, the co-author(s) will need to register to the meeting as well.

- Please do not submit multiple versions of the same abstract.

- The submitting author will be informed by e-mail about the acceptance of his/her abstract soon after the evaluation process is complete.

Abstract Submission

Content

- The abstract should contain the title of the paper, the names of the authors and their departments and affiliations (including the cities and the countries), and the e-mail address of the submitting author.
- Preferably the abstract is structured and contains the headings Introduction, Methods, Results, Discussion & Conclusion.
- Please note that the abstract system does not allow submissions exceeding 400 words.
- It is possible to include tables, images or graphics in your abstract.
- Please use only standard abbreviations.

List of Topics

Abstracts must be allocated to one the following topics:

- Diagnostic Brain
- Interventional
- Pediatric
- Spine
- Head & Neck

- Please prepare the content of your abstract and paste it to the online form.
- A minimum of 3 keywords must be submitted related to the abstract

Co-Authors

Please note that at least one author of each abstract should register for the conference. Abstracts submitted without any corresponding conference registration will be withdrawn and will not be published in the Neuroradiology Journal Supplement.

Selected Oral Presentations

- The Scientific Committee will select abstracts for oral presentation to be presented in a scientific session of the program based on quality and topic.

E-Poster Area

- All other accepted abstracts will be displayed as electronic poster. Detailed instructions for uploading the poster on the e-poster system will be sent after the acceptance of the abstract.
